

Morganton ABC Allocated/Rare Items

Due to the COVID-19 crisis we will not be able to host the annual raffle for allocated products. During the months of November and December, any and all allocated bourbons/rare products that we may receive will be available for purchase. In order to be fair about the sales, we have determined that the following will be the best course of fair distribution. **Please read over these carefully in its entirety!**

1. A list of the allocated products will be posted only inside the store for products available. We can not post the items on the website.
2. If you see a name of a product one day and it is gone another day, then that product has sold out. We will update the list as new items arrive or when they sell out.
3. **Bottles will be placed out at random times and dates. Please do not call or ask employees what products, times or dates they will be placed.** We can not offer this information because this is **exactly** what **RANDOM** means.
4. Only the managers will be handling this procedure. This keeps things random, unpredictable, and fair to all.
5. If you purchase one of these items, you will be asked to sign a piece of paper on the date of purchase. By doing so you agree not to purchase another allocated/rare product during that month. At the end of November we will wipe the slate clean and you will have a 2nd chance during the month of December. You do not have to purchase what is out at a random date if you want to wait for something different. Please do not ask if you purchase a bottle if you can bring it back and trade it for another.
6. If you have any questions about this, please feel free to call our store and speak to a manager at 828-437-8919. David Leonhardt (General Manager) or Wilma Carswell (Store Manager).

Thank you for your patronage and understanding,
